TODAY'S GAME

Northern Arizona University will need a victory against an old nemis, Eastern New Mexico University today to be assured of recording its best won-lost record since 1958.

The 1958 NAU team was 11-1, losing 19-13 to Northeastern Oklahoma in the NAIA Holiday Bowl. A win over Eastern will put this year's team at 7-2 and no Lumberjack football team has won seven games in one season in 11 years.

Mike Frank, Eastern's fine quarterback and NAU's outstanding field general, Bobby Stewart, should hook up in a wild offensive show. Also, a win today would mark the first time since 1958 that the Lumberjacks have gone undefeated at home.

NAU entered the 1969 season with three teams on the schedule the Lumberjacks had never defeated and in all three instances, the Axers emerged victorious --- 21-20 over West Texas State; 35-0 over three time defending Big Sky champ Montana State University; and 21-19 over Weber State.

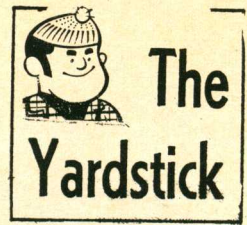

NAU flankerback Charlie (Good Grief) Brown has caught 20 passes for 437 yards and five TD's during games the last two weeks while Axer quarterback Bob Stewart has hit on 33 of 60 passes for 658 yards and seven TD's over the last two weeks. In the final quarter against Weber last week, Stewart connected on 9 of 11 passes for 209 yards and three scores!
