

ED PEASLEY, Head Coach at NAU

## ABOUT THE '72 SEASON

Northern Arizona University, with just two losing seasons in the last 16 years, is facing its toughest schedule in history this fall.

NAU's 11-game slate includes 10 teams that have been nationally ranked in the last five years, at least once, and this year's schedule represents 18-post season bowl games in the last six years!

This type of competition has become an NAU trademark in that over the last six years more than 90 of NAU's foes have been drafted in the NFL draft. NAU's young team has some outstanding individuals this fall and they are certain to up NAU's total in the pro ranks.

Over the years, NAU's football program has produced 36 pro players. In all sports (basketball and baseball) NAU has produced more than 50 pro athletes.
