**LIGHTS!  
CAMERA!  
EDUCATION!**

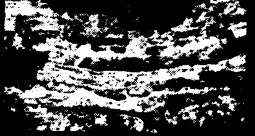

For nearly five years, Phelps Dodge has been furnishing a series of educational films free to schools throughout Arizona. Originally made for a television series sponsored by Phelps Dodge, each film examines a different facet of life in Arizona. Thousands of students at hundreds of Arizona schools see these films. Students and teachers alike give them good reviews, and we are gratified with the continuing requests we receive for them. Our school film program -- one more reason why "Phelps Dodge means a lot more than just copper."
